VK COMPANY LIMITED

Invitation to contact the company in relation to its Convertible Bonds

VK Company Limited (LSE, MOEX: VKCO, hereinafter referred as “VK” or “the Company”), informs on the following.

As previously stated in the Company’s press release dated 17 March 2022, due to the suspension of its GDRs trading on the LSE Main Market, a “De-listing Event” in respect of the Bonds has occurred. The Company is working with its financial advisors, Aspring Capital and Serdika Financial Services, to develop proposals to the Bondholders to address the “De-listing Event” and consequences thereof. The Company intends to reach as many Bondholders as possible to take into account their expectations and interests.

If any of the Bondholders have not been yet directly contacted by the Company or its financial advisors, such Bondholders are invited to immediately contact the Company or its financial advisors via email at VKbondholders@aspringcap.com or at ir@vk.team.

About VK

VK develops the ecosystem helping millions of people with their day-to-day needs online. More than 90% of the Russian internet audience use the ecosystem services.

The ecosystem enables people to keep in touch (using social networks OK and VKontakte, messaging apps and email service), play video games (via MY.GAMES), get and offer items and services, browse jobs and hire talent (via Youla and VK Jobs), order food and grocery delivery (via Delivery Club, Samokat and Local Kitchen), master new skills (at GeekBrains, Skillbox and other educational services), buy and sell at AliExpress Russia and fulfill other needs.

The VK ecosystem features a number of shared elements bringing the services together. Users can sign in to different services with a single VK ID account, pay and earn cash back with the VK Pay platform, get discounts and deals with VK Combo, access their favorite services via the VK Mini Apps platform — and the Marusya voice assistant can help with any task.

The Company offers enterprises to employ its dynamic ecosystem to digitize their business processes, providing a range of solutions from online promotion and predictive analytics to corporate social networks, cloud services and enterprise automation.
